

HERE'S MY IDEA

A UCSB, UCB & UCM community mentorship project (2023-2024)

This EMS-initiated project established a community of Unit 18 Lecturers on three campuses. We are dedicated to teacher-to-teacher mentoring in areas of high impact, including topics related to culturally responsive teaching, such as the incorporation of course technologies and IDEA (Inclusion, Diversity, Equity, Access) in practice.

26 LECTURERS ARE COMMITTED TO THIS ITERATIVE, INQUIRY-DRIVEN MENTORSHIP MODEL.

YOU CAN GET INVOLVED!
ON MAY 24, 2024, PARTICIPANTS WILL SHOWCASE THEIR RESULTS AT A TEACHING AND LEARNING, CONFERENCE-STYLE SESSION. CONTACT DR. KARYN KESSLER TO JOIN US.
